Announcements & Upcoming Events

Events at St. Joseph

St. Joseph is a member of the Jeffco Interfaith Partners. This group supports the work of Habitat Metro Denver in two ways. We are involved in its biggest fundraiser of the year, to finance the cost of a home, operating two pumpkin patches for the month of October and volunteering sweat-equity to build a home. When pumpkin season is closer, I will reach out again for help on that project.

Now is the building season. Each of the partner churches take responsibility to supply volunteers for a particular date. This year St. Joseph has Saturday, July 25. We have five spots to fill our allocation. If you have a calling to do this kind of ministry please let me know at stjosephepiscopalsw@gmail.com and sign-up online at <https://vhub.at/jeffcointerfaith>. Click this link. If you do not have an account with Habitat, you will need to create one. The link for doing that is at the top right-hand corner of the page. Once signed-in, scroll down to July 25th and follow the prompts. This needs to be completed at least two weeks prior to the build date.

This year's build is at Griffith Station, 8407 West 52nd Ave. Arvada, CO 80002, 7:50am - 3:30pm.

If someone(s) would like to help, but isn't feeling the construction action, providing lunch for our volunteers is welcomed. Please let me know if you will support the five builders in this way.

I am excited to offer this opportunity to all members of our partnership. If you have any questions, you can reach me at my email which is above.

Thank you in advance, Peter von Hemert, Senior Warden St. Joseph
