Events @ St. Joseph

SJC² Picnic

Please mark your calendar so you can attend our first SJC² picnic. It will happen after the joint worship service here on **August 30th**. St. John Chrysostom is bringing the sides and we are providing the grills and the protein to put on them. As you are able, record your gift on the SJC² Picnic sign-up sheet.

The Gospels in Order class

Our class on the Gospels in Order will resume **September 13, 2026, at 11:30 am**. Pharisees are in Galilee to confront Jesus early in his ministry and in Mark 3:6 they plot to kill Jesus. Jesus has just started his ministry, so why are they so alarmed? Also, Mark provides the locations throughout Jesus's ministry. Scan Mark for those locations in chronological order and you will find a purposeful itinerary. We will also cover Chapters 4 and 5.

Scam Awareness Series

Be aware no one in our community will call, text or email asking for gift cards or money. We are a small enough community to know each other well. Our size works in our favor! Fr. Doug and no one from our vestry will ever ask you for money outside of our annual pledge drive, and that is presented in paper form only.

Annual Convention

The Convention of the Episcopal Church of Colorado takes place on Zoom on **September 26th**, the evening of October 8th, the day of October 8th, and until noon the day October 10th in Westminster. St. Joseph's has the opportunity to send three delegates and an alternate. Being at the convention is a great way to connect to the wider Episcopal community and to represent our contributions to it. If after prayer you feel called to this ministry, please inform Father Doug so he can forward that information to the registrar.

hosted by Mile Hi Church and Make-A-Difference

Sponsored by multiple faith groups in the community

Sat., Aug., 29,

9 – 11:30 a.m.,

Community Center

The Service Fair is an opportunity to explore some of the agencies that are our hands and feet in bringing God's hope to us in need of reducing suffering. Please consider spending an hour or so discovering different ways we can make connections. If you follow the QR code on the flier, you can see a list of materials that will be helpful to each agency. You are encouraged to bring an item or two to donate.

Many of the churches that are sponsoring this event are also members of the Green Mountain Connector partnership under development here at St. Joseph's.
